## LOGAN LEWIS

Logan Lewis is the Executive Director of the Red River Revel Arts Festival, a 501c3 nonprofit organization based in Shreveport, Louisiana. A graduate of Louisiana Tech University, Logan's past experience with the Radiance Technologies Independence Bowl, Learfield IMG, Louisiana Tech Athletics, and live music events across the state of Louisiana gives him a diverse set of skills to draw upon when planning the annual festival. He is passionate about the arts community of Louisiana, and he is most motivated by team-based completion of major projects and initiatives that advance the arts and quality of life in the Ark-La-Tex. Logan is a proud resident of Shreveport and has a wife, Elizabeth, and a son, Asher.

## ABOUT THE RED RIVER REVEL...

Red River Revel is a 501(c)(3) nonprofit organization serving the region around Shreveport, Louisiana with cultural programming in the areas of "Art, Music, Food." Program events include Shreveport Farmers' Market, CORK: A Red River Revel Wine Event, Shreveport BREW, and the Red River Revel Arts Festival. Created in 1976, the Red River Revel is a 9-day annual arts festival bringing together visual, musical, and performing artists, along with the regional community for a celebration of the arts. The Red River Revel is a community partner with local nonprofits, over 20 of which serve food and raise funds using the unique blend of culturally inspired flavors of the area and beyond. Each year during the festival, thousands of area 4th grade students spend the school day at the Red River Revel learning about and participating in arts education programs. Local, regional, and national musical acts perform on two stages in Shreveport's Festival Plaza during the event. Approximately 100,000 visitors from all over the country visit the Red River Revel Arts Festival each year. This "Celebration of the Arts" encompasses quality in visual and performing arts, seminars, workshops, children's arts education, and a variety of creative experiences. In addition to the festival, the organization manages the 13-week Shreveport Farmers' Market, held weekly on Saturdays during the Summer. The Red River Revel also produces CORK: A Red River Revel Wine Event, an annual celebration of wine and food, which serves as a fundraising event held at Festival Plaza each Spring. Finally, the Red River Revel partners with Downtown Shreveport Unlimited (organizer of Mudbug Madness) to host Shreveport BREW, a beer and food celebration and fundraising event held at Festival Plaza each Fall. The 47th Annual Red River Revel Arts Festival is scheduled for September 30th – October 8th, 2023.
